## The Lexington Dispatch.

Wednesday, December 24, 1902.

Don't look a gift horse in the mouth while the doner is present.

Things that make a woman cry make a man swear.

Men who make a specialty of picking quarrels rarely complain of a short crop.

Possession may be nine points of the law, but self-possession is a law unto itself.

### Kodol Dyspepsia Cure

Digests what you eat.

When a young man tells a girl he isn't worthy of her love she is foolish to doubt it.

Fortunately for a man's peace of mind he seldom hears other people's real opinion of himself.

Wise is the man who can distinguish between his friends and his enemies.

The less some men have the more they don't seem to want.

Just about the time mosquitoes quit putting in their bills the legislators begin.

### Hilton's Life for the Liver and Kidneys tones up the stomach.

The Legislature will meet on the second Tuesday in January, the 13th day of the month.

Peter G. McEachen, a farmer of Hamer, Marlboro county, got his hand caught in a gin and bled to death.

The Spartanburg grand jury is hot after the railroads for working their men in that county on Sunday.

The police stopped a marriage at Union. The would be bride was only 13, and her parents objected to her marriage.

Annie Spill, a colored teacher in Bamberg, has been sentenced to hard labor in the county jail for one year, for forgery.

Greenville, Tenn. I have thoroughly convinced myself that Dr. Baker's Blood and Liver Cure is the finest medicine made for Indigestion and Constipation. (I have tried them all) and was cured by the use of this medicine, after all others had failed. I most cheerfully and unhesitatingly endorse it. Yours truly,

H. N. Baker, Mayor.  
For sale at the Bazaar.

The annual reports of the several railroad systems in this State show an increase in the total income of over half million dollars.

Rob Davis, Jr., of Greenville, was accidentally shot and killed by Sam Levi, while out hunting. Davis was 17 years old and a popular young man.

M. Roper, of Lake City, sold 12,500 pounds of tobacco in Florence on Wednesday for \$1,000. It was raised on 16 acres and he has still 2,000 pounds left.

A druggist naturally prefers to sell a good article—he makes the same profit as on an inferior preparation—hence they universally recommend Ramon's Liver Pills and Tonic Pellets. In this locality this "mild power" modern treatment has almost altogether superseded the old style drastic liver pills. A cure for constipation and biliousness without any griping, purging, sickening sensation is what people have been looking for. 25c. Harman's Bazaar.

The voters of Columbia have almost unanimously voted for the issuance of \$250,000 of 4 per cent. bonds, with which the city is to build a system of first class water works.

There is a movement on foot at the South Carolina College to secure for its library a collection, as nearly complete as possible, of all books written by South Carolinians. A special alcove has been set apart for this South Carolina literature, and it is the earnest desire of the promoters of the plan to include the writings of the living and the dead, and of natives non-residents of the State as well as residents.

The new county craze has struck Orangeburg. There are rumors of a possible attempt to form a new county from portions of Berkeley and Orangeburg counties, with probably Holly Hill or Elloree as the county seat. Whether an active effort to this end will be made or whether it is simply a suggestion it is not definitely known. Several attempts have been made in the past to cut the county, but the people have always voted against such propositions, and at this time it would no doubt prove a very difficult matter to dismember Orangeburg.

### Dr. Clayton Qualifies.

Dr. V. P. Clayton, who was appointed United States marshal by District Judge Brawley, to hold the office until the President can appoint a successor to Marshal Cunningham, has qualified, and his bond was approved and put on record in Charleston. He will carry on the work of the department just as ably as it has been conducted in the past.

So many strong endorsements have been sent to Washington in behalf of Dr. Clayton that his friends believe he will be retained in the office permanently, under appointment by President Roosevelt. He has a good record as a lifelong Republican, has always stood for the best faction and element of that party in South Carolina, and he has not been identified with the wild scramble for office, which has stamped so many Republicans hereabout. He has made a most excellent officer, says the Charleston News and Courier.

To improve the appetite and strengthen the digestion, try a few doses of Chamberlain's Stomach and Liver Tablets. Mr. J. H. Seitz, of Detroit, Mich., says, "They restored my appetite when impaired, relieved me of a bloated feeling and caused a pleasant and satisfactory movement of the bowels." There are people in this community who need just such a medicine. For sale by J. E. Kaufmann. Every box warranted.

### Claims of the State.

The Governor has received a communication from treasury department asking for certain records in connection with the claim this State has against the United States government and it against the State. These claims are in process of settlement, and the desired information will be looked up.

### More Money for Georgetown.

Washington, December 18.—Congressman Elliott today introduced a bill in the House increasing the appropriation for a public building from \$50,000 to \$100,000.

### Obituaries.

Jacob Keisler was born Nov. 12, 1818, and died December 3, 1902, aged 84 years and 21 days.

He was married to Elizebeth Oswald. This union was blessed with five children, three sons and two daughters. One son preceded him to the spirit land. He was a loyal citizen, good neighbor, and a faithful and constant member of St. Paul's church. He was confined to his bed for about a year, and often during that period expressed his readiness and willingness to die if it was his Master's will. His wife and four children survive him, and to mourn his departure. Thus another father in Israel has passed from time to eternity. The funeral services were conducted at his home and his body was laid to rest in the family burying ground by his pastor, the writer. May God bless his wife and children. W. H. R.

Orrie Hite, daughter of John Hite and wife Eliza, was born August 17, 1835, and died December 5, 1902. Age 17 years, 3 months and 18 days. A large growth on the side of her face and head, was operated upon by some of the physicians of Columbia, and death was the result. She leaves to mourn her death, a father, three sisters and many relatives and friends. May God comfort and console the family in their sorrow. Her body was laid to rest in the family burying ground near Mr. Nathan Oxner's, by the writer. W. H. R.

John George Fulmer was born January 17th, 1813, and died November 20th, 1902, aged 89 years, 10 months and 3 days. He was twice married, first to Miss Margaret Bowers, and after her death to Miss Harriet L. Sites, to them were born 4 sons and 7 daughters, 36 grandchildren; one son and 3 grandchildren preceded him to the spirit land. He formerly lived in Lexington county, but for many years he has made his home in Richland county. He was a member of St. Peter's (Piney Woods) Evangelical Lutheran church. He was buried in the cemetery of St. Andrew's Evangelical Lutheran church, Richland county, S. C. J. A. C.

Mary Eulela, daughter of John and Alice Gable, born August 23rd, 1892, and departed this short life December 3rd, 1902, making her stay with loved ones on earth 10 years, 3 months and 10 days. She was dedicated to God by the holy rite of baptism, and thus made a member of Christ's church on earth. She was a bright and lovely child and endeared herself to all with whom she came in contact. But now she is gone from the shores of time to the eternal to dwell with him who has said, "Suffer little children to come unto me and forbid them not." J. A. C.

### Resolutions of Respect.

Whereas, It has pleased God in his infinite wisdom to remove from our midst by death our efficient Secretary, Miss Bertha Leitzsey, and Whereas, The Women's Home and Foreign Missionary Society of St. Andrew's church has been bereft of its Secretary and one of its very best members who spared neither labor, time nor talent in furthering the interest of the society, therefore, be it, Resolved, 1. That though we lament our great loss in her death we bow in humble submission to the will of Him who doeth all things for the best.

2. That the sincere sympathy of this society be tendered to the father, sisters and brothers of the deceased.

3. That these resolutions be entered upon the records of our society and that a page be dedicated to the memory of our deceased sister.

4 That a copy of these resolutions be sent to the family of the deceased and that they be published in the Lutheran Visitor and The Lexington Dispatch.

**THE D'FORD'S**  
**BLACK-DRAUGHT**  
**THE ORIGINAL**  
**LIVER MEDICINE**

A sallow complexion, dizziness, biliousness and a coated tongue are common indications of liver and kidney diseases. Stomach and bowel troubles, severe as they are, give immediate warning by pain, but liver and kidney troubles, though less painful at the start, are much harder to cure. The D'Ford's Black-Draught never fails to benefit diseased liver and weakened kidneys. It stirs up the torpid liver to throw off the germs of fever and ague. It is a certain preventive of cholera and Bright's disease of the kidneys. With kidneys reinforced by The D'Ford's Black-Draught thousands of persons have dwelt immune in the midst of yellow fever. Many families live in perfect health and have no other doctor than The D'Ford's Black-Draught. It is always on hand for use in an emergency and saves many expensive calls of a doctor.

Mullins, S. C., March 10, 1901.  
I have used The D'Ford's Black-Draught for three years and I have not had to go to a doctor since I have been taking it. It is the best medicine for me that is on the market for liver and kidney troubles and dyspepsia and other complaints. Rev. A. G. LEWIS.
